

## Newsletter week 5, 2020

January 29<sup>th</sup>, 2020

Dear STATICH collaborators,

### **Trial status**

Thank you very much to **Fredrik Buchwald** and his team at **Skåne University Hospital Malmö** for including their second participant last week! STATICH has now reached **39 participants: 18 in STATICH-Antiplatelets and 21 in STATICH-Anticoagulants**. We are excited to see who will include participant number 40! We would also like to give a warm welcome to Aalborg University Hospital in Denmark. We are looking forward to collaborating with you!

### **STATICH collaborators' meeting during ESO-WSO Conference 2020**

We would like to invite you to a collaborators' meeting during ESO-WSO Joint Stroke Conference in Vienna, 12-15 May 2020. Information about the time and venue will soon be announced, and a meeting agenda will be circulated nearer the time. We hope to see you there!

### **Don't hesitate to contact us with any questions you might have about STATICH!**

We are truly grateful for your participation and your efforts for the trial!

Best wishes,
